Pentecost Series 3: How We Feed Each Other

We think about how we feed each other with food that not only sustains us, but makes us healthy and strong. Take time to learn about how we can change our habits to make our bodies more healthy and help others around the world have access to healthy food and clean water.

Week 6:

We have been discussing how we can help our neighbors close and around the world have healthy food and water. These are very important for healthy bodies and for children to grow up to be healthy. Many school districts offer free or reduced breakfast and lunch for families in need; save your change for a week and contribute to your local school's lunch program.

Come Lord Jesus be our guest and let these gifts to us be blessed. Blessed be our God who is our bread, may all the world be clothed and fed. Amen

The Story

Who is the Greatest? - Mark 9:30-37

Jesus tells his disciples that the last will be first and he welcomes the children.

Conversations

Day 1

Mark 9:30-32

What things about Jesus do you find difficult to understand? What are your questions about faith?

Day 2

Mark 9: 33-35

What are things about faith/church/the Bible that people argue about today? What do you think Jesus would say to those things? How do we love one another when we disagree?

Day 3

Mark 9:33-35

When have you been last and how did that feel? When have you been first and how did that feel? Which do you prefer? What does it mean to be last so someone else is first? What are ways we can live this out today?

Day 4

Mark 9:36-37

Why do you think Jesus used a child to explain how to welcome others? Who are the people in our world that we need to welcome?

Day 5

Mark 9:36-37

How do we welcome others in the name of Christ? What does this do for us when we welcome others? What does it do for the other person? How can you be welcoming this week?

Blessing

Jesus said, I am the bread of life. You will never be hungry or thirsty in my love.
