## Household Service

### Pentecost Series 4: Stewardship

"For where your treasure is, there your heart will be also." – Luke 12:34

### Week 5:

The Gift of Our Possessions: This is a time of year when many communities have coat drives, or winter warmth drives. Giving away some old coats, blankets, or hats and gloves is a great way to help out. Challenge yourselves to go a little further this year! For Christmas or birthdays in the next year, ask for things that you want to give to someone else. When your birthday comes around, ask for toys that can be given to local shelters, or given to a local organization that gives away Christmas presents. For Christmas you could ask people to give livestock through an organization like Heifer International or give mosquito nets through the ELCA Malaria campaign, or some similar gift idea.
